Comment on FR Doc # 2015-08831

Submitter Information

Name: John Roesgen

General Comment

Please do not restrict the ability to trade stock options in an IRA. I have been successfully trading options in my IRA for four years. I do so responsibly, with a full understanding of the options market, and without taking big risks. In fact, I use options to lower my risk in the stock market. If this ability is taken away, I will lose a valuable tool for growing my retirement savings.
